Boycott of Israel - O.C.G.A. § 50-5-85**

Any Supplier that currently and/or previously, within the last three years, has had business activities or other operations outside of the United States, must certify that it has not nor will engage in a "Boycott of Israel." The State of Georgia passed a law that requires our current and future supplier certify that they will not boycott Israel in accordance with O.C.G.A. § 50-5-85.

"Supplier certifies that the Supplier is not currently engaged in, and agrees for the duration of this Agreement not to engage in, a boycott of Israel, as defined in O.C.G.A. § 50-5-85."

False certification hereunder may result in civil penalties, contract termination, ineligibility to bid on a state contract for three or more years, and/or any other available remedy. If the Supplier is engaged in or has previously participated in a boycott of Israel, the Supplier shall not be eligible to bid on or submit a proposal for a contract with a State Entity unless the Department of Administrative Services (DOAS) makes a determination that it is in the best interest of the State to permit that company to submit a bid or proposal. Any company that has engaged in a boycott of Israel desiring DOAS to make such a determination should contact DOAS and GTA Procurement immediately.

Please initial below which statement applies to your company:

I certify that my company is **NOT** engaged in a boycott of Israel.

I certify that my company **IS** engaged in a boycott of Israel.

I certify that my company has requested and received written permission from DOAS to submit a response to an RFP/RFQC in accordance with O.C.G.A. § 50-5-85.
